SUMMARY: CCC-75 (232200 Apr 80)

Source reported information concerning Gregory Persinger.

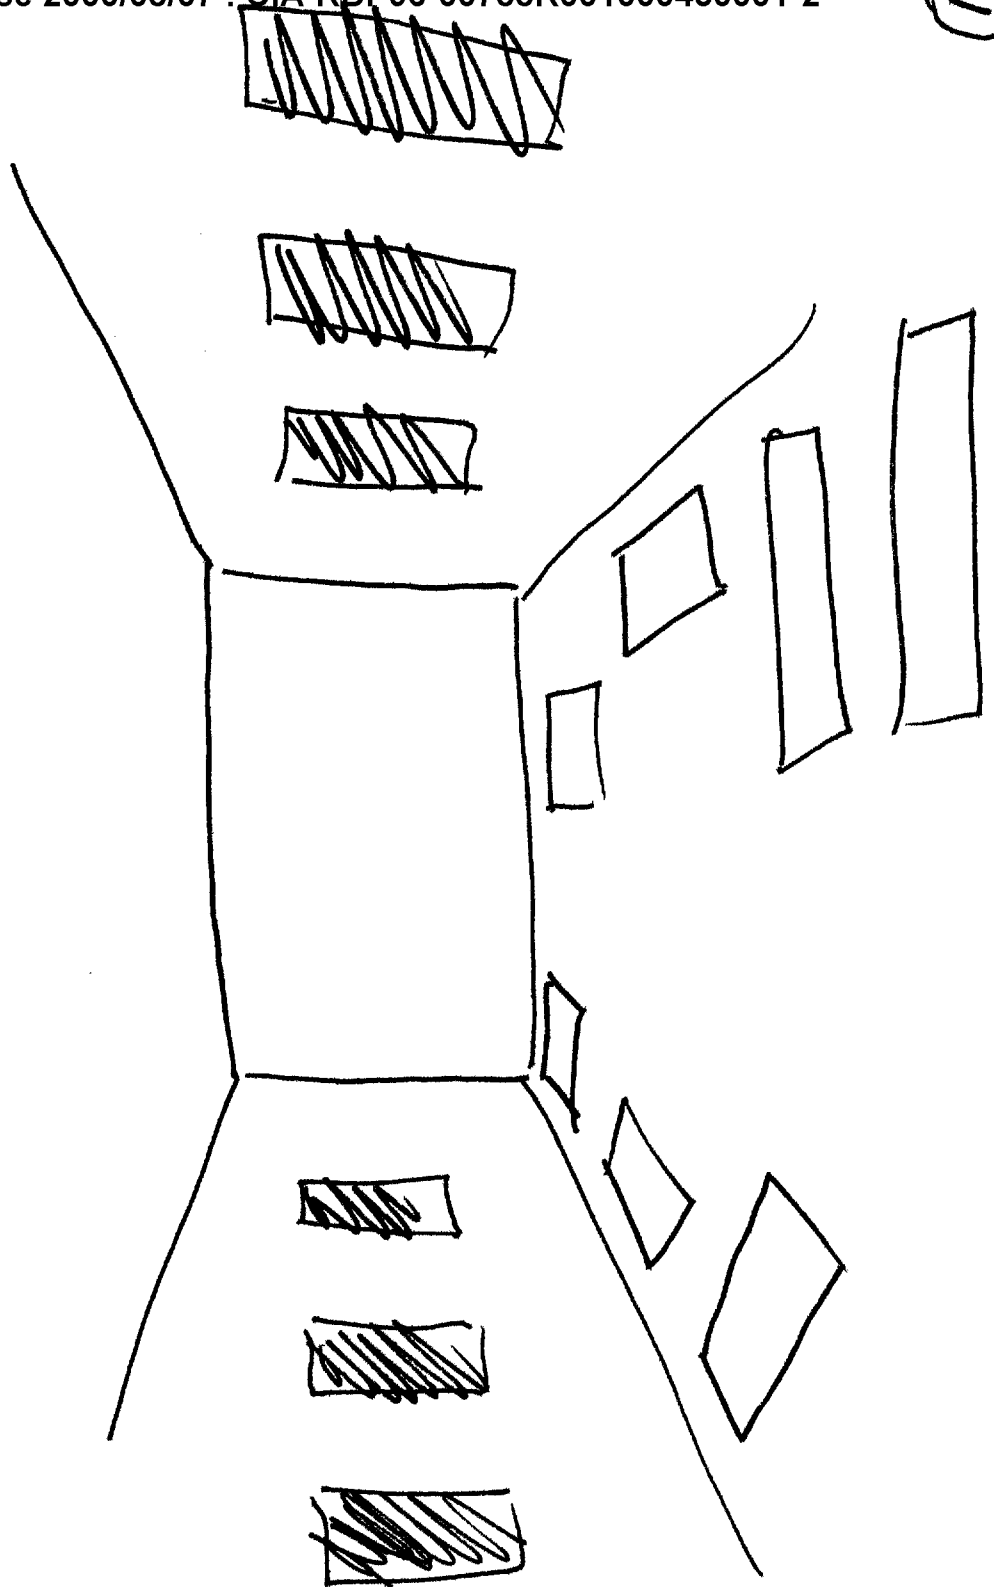

Do not know where building is located, might not be on compound. Building has boards on windows, stone courtyard, stone benches, high walls around it, and fountain in grassy area.

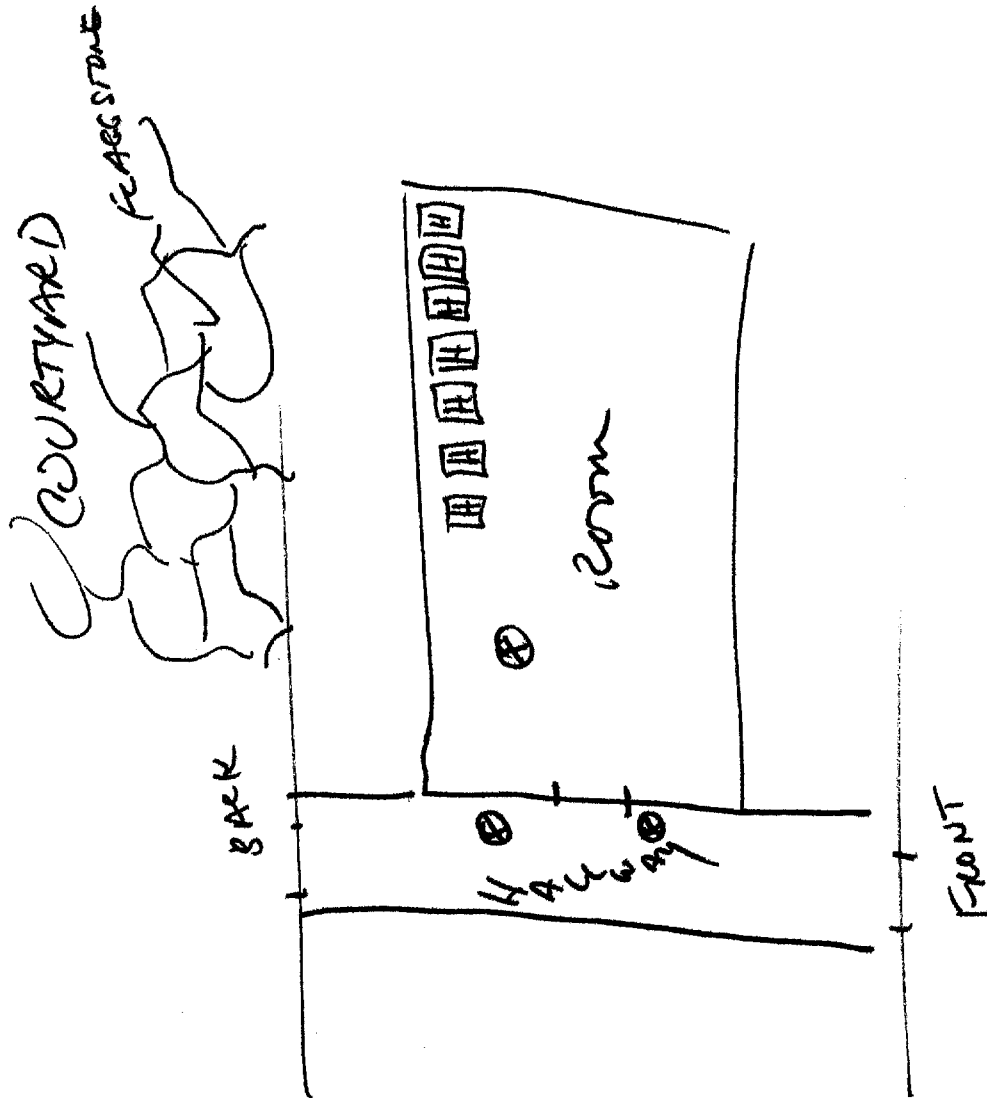

Source reports total of 7 hostages in this building. Identified one as being Gary LEE. (He also identified an individual not on any list this office holds)

Felt there were at least 3 guards (1 in room with hostages and 2 in hallway. These two are armed.

Source not too sure of information. He stated at first he thought PERSINGER was in building E, but decided that was wrong.
